

GLOBAL VALVE AUTOMATION

AN ISO 9001:2015 CERTIFIED COMPANY

COMPANY PROFILE

One stop solution for industrial valve & automation

Company introduction

Global Valve Automation (Brand: GVA) is a leading supplier of industrial valves, offering a comprehensive range that includes gate, globe, check, ball, butterfly, forged steel, piston, sluice, control, plug, knife-edge gate, safety, pressure regulating valves, strainers, and lined valves.

We also provide complete valve automation solutions with pneumatic and electric actuators, along with related accessories. Our products are available in all major sizes and a wide range of materials such as WCB, CF8, CF8M, SS316, SS304, Cl, DI, Brass, and Gun Metal, enabling us to meet diverse process, pressure, and temperature requirements.

All valves are manufactured in compliance with API, ANSI, ASME, ISO, BS, and other international standards, with pressure ratings up to Class 2500#.

We cater to both domestic and export markets, with a strong commitment to timely delivery, competitive pricing and technically sound solutions. Our continuous focus on quality, precision, and customer satisfaction drives us to deliver reliable and efficient products. We strive to provide complete valve automation solutions under one roof.

With extensive experience in supplying valves integrated with advanced technologies, we ensure top-quality products and versatile solutions suitable for diverse applications. As a result, our valves are widely used across various industries such as oil & gas, chemical, pharmaceutical, power plants, cement, water treatment, food & beverage, pulp & paper, mining, fertilizer and onshore & offshore platforms.

Vision: -

To be the quality supplier leader in the industrial valve & automation system worldwide.

Mission: -

Long term Business relation maintains with our client.

One stop solution for industrial valve automation system.

Why Global Valve Automation?

- 12+ Experience year in the industrial valve automation.
- Exclusive Partners with reputed Industrial valve manufacturer. (Our Brand Name **GVA Make**)
- We offer a comprehensive range of valves including ball valves, gate valves, globe valves, check valves, butterfly valves, in various sizes, pressure classes, end connections, and materials.
- We have a dedicated inspection team to ensure strict quality control at every stage of manufacturing.

- Extensive shop-floor and warehouse space ensuring uninterrupted supply, safe storage, and timely dispatch.
- Long-term service support and spare parts availability.
- Strong inventory management ensure timely delivery, even for bulk or urgent orders.
- Responsive Communication and Fast Query Resolution.
- We provide complete technical support including GA drawings, BOM, MTC 3.1, test certificates, and installation guidance.
- Competitive pricing without compromising performance and reliability.
- Consistent Repeat Orders from Satisfied Customers.

➤ WARRANTY

The supplied items have been factory tested in accordance with applicable manufacturing and testing standards and are warranted for **18 months from the date of dispatch** or **12 months from the date of commissioning**, whichever is earlier.

➤ Ethical & Transparent Business Practices

We follow honest communication, clear commitments and fair pricing, building trust beyond technical performance.
